Hello dear Jones!

Thank you very much for your letter! I was very glad to get it! I hope now we can know more about each other.

And, who know, maybe we have found our future.

Now I will say about self. I am simple Russian girl. I was born in Moscow, Russia.

Here I have finished university and now work here as manager in a little private company.

I live alone in the center of Moscow. My parents are pensioners and live in the other city.

I do not have brothers or sisters. My hobbies are very different. Most of all I like to cook and travel.

The cooking is my passion! I can make perfect Russian dishes.

Also I like to study foreign language. I can speak good English, little German and little French.

I like travel, but I can do this not so often.

Also I like very much listen to music. I like listen to classic music.

I like to watch historical movies and I like to read classical literature.

So, I think I have given to you the first impression about me.

Tell me about yourself. Your everyday life, work, hobbies. For me everything

will be interesting.

I will be waiting for your letter with impatience. My best wishes to you,
Elena
