

Hello My Dearest Beloved One.

Compliment of the day, I bring you my greetings; It is true that this letter may come to you as a huge surprise. Nevertheless, I humbly ask you to give me your utmost attention and hear me well. First of all I' respectively got your email address from the (Email Database of Companies in South Africa Reserved Cape Town).

My name is Dr. Benedita Bieito from Portugal (Europe). I was brought up from a motherless baby's home in my beautiful country and was married to my late husband, Prof Engr. Casimiro Bieito who worked with our Embassy here in South Africa for a period of 25 years before he died.

We were married for 30 years without a child before he died in a fatal car accident. Since his death I decided not to remarry. I am 67 years old now, and am suffering from a long time cancer of the breast which also affected my brain, from all indication my conditions is really deteriorating and it is quite obvious that, according to my doctors they have advised me that I may not live for the next Few Months,

This is because the cancer stage has gotten to a very bad stage. When my late husband was alive he deposited the sum of US\$15,500,000.00 (Fifteen Million Five Hundred Thousand US Dollar) only with a reputable Bank here in South Africa.

Recently, My Doctor told me that I would not last for the next few months due to cancer illness because it's very serious. Having known my condition I decided to donate this Money to the Charity Organizations or Good Person that will utilize this money for helping humanity and the less privilege people in the Society and the way I am going to instruct herein.

I want you to use this Money for Charity organizations, orphanages, widows, widower and other people that are in need. I took this decision because I don't have any Child that will inherit this money.

Moreover, my husband relatives are not close to me since I develop a Cancer problem and it had been their wish to see me dead in order to inherit his wealth since we have no Child. These people are not worthy of this inheritance.

This is why I am taking this golden decision. As soon as I receive your urgent positive reply towards this message, I will give you the contact of the Bank in South Africa where this money is deposited.

I also want you to always put me in prayer all day night. Any delay in your reply may give me room to look for another good person for this same purpose. Please assure me that you will act accordingly as I stated herein.

The change of ownership will be Convey and Endorsed in your name before the entire funds can be release to your designated bank account of your choice within 48hrs (2 days) the procedures and how to receive these entire funds from my bank will be directed to you as soon as you get in touch with me shortly.

I am looking forward to hearing from you if you are ready to carry on this project.
